

FOR IMMEDIATE RELEASE

SmartSearch® Makes 2016 List As A Top-Rated Talent Acquisition Software Solution

SmartSearch reviewed and named as a top-rated ATS provider for the second year in a row by software users on TrustRadius

OCEANSIDE, CA January 20, 2016 – Advanced Personnel Systems, Inc. (APS), the maker of SmartSearch®, an industry leading applicant tracking system (ATS) and recruitment business solution has, once again, been named a [Top Rated ATS platform by software users on TrustRadius](#), the leading peer review site and research platform for business software. TrustRadius released the rankings in December 2015 based on 615+ reviews and user ratings of [recruiting/ATS products](#).

“TrustRadius does a great job ensuring that reviews are well vetted and authentic responses to the end-user experience. We are honored to be named for the second year in a row as a best-in-class recruiting software provider by the prestigious review site, TrustRadius,” said Doug Coull, CEO, APS, Inc.

Megan Headley, TrustRadius Research Director notes, “SmartSearch customers appreciate the top-notch support offered by the vendor, and the flexibility of the product. As such, it is a Top Rated Recruiting solution for their customers.”

“Customer service is always top of mind for us. We listen to our clients and draw inspiration from their feedback on enhancements and updates. For the past 30 years, we have worked in cooperation with our clients and consider them a valued partner. This philosophy has kept us going strong and earned us the right to be named as a highly valued software provider,” noted Doug Coull, CEO at APS.

About SmartSearch®: Since 1986, **Advanced Personnel Systems, Inc.** leads the way in the development and deployment of quality talent management and recruiting solutions. Having pioneered the field of resume-scanning-based recruiting solutions, APS is a recognized innovator in on-demand technology and recruitment data management. Its signature product, SmartSearch® serves over 250,000 users and 25 million job seekers worldwide. For more information, visit: <http://www.smartsearchonline.com>

About TrustRadius: **TrustRadius** is the most trusted research platform for business technology based upon in-depth user reviews. We help users make better product selection, implementation, and usage decisions. Every reviewer is authenticated and every review vetted by a member of our Research team before publishing. Unlike simple rating sites, TrustRadius reviews are structured and substantive, averaging more than 400 words. Reviewers can also update their reviews to keep them current. Reviews are curated into product comparisons and buyer’s guides. For more information, visit: <https://www.trustradius.com/static/about-us>
